

**SCHOOL DISTRICT NO. 393
CALL FOR BID FOR
BOILER SYSTEM DEMOLITION/INSTALLATION**

NOTICE IS HEREBY GIVEN that sealed bids will be received by the Board of Trustees of Wallace School District No. 393, Idaho, for the demolition/installation of the Silver Hills Elementary boiler system.

PROJECT SPECIFICAITONS

Full turnkey demolition/installation project. Remove the existing Weil-Mclain cast iron sectional boiler, install high efficiency condensing boilers, and re-piping the water system for a primary/secondary heating water system application. All products and installation will be in accordance with local and national codes. All products and installation will be per the manufacturer's Installation and Operations Manual. Heating system will be a standalone application, sized, and configured to provide redundancy. If one of the boilers fail the backup boiler will take over and keep the facility warm until the issue is addressed.

EXCLUSIONS

Please include any proposed project exclusions. Possible exclusions include the following:

Connection or communication into the existing building control system

Troubleshooting and/or repairs of existing controls

Troubleshooting and/or repairs of existing mechanical equipment

Furnishing, installation and wiring of smoke detectors, smoke dampers, combination fire/smoke dampers and fire dampers and associated actuators and wiring unless noted in the scope above.

Fire sequencing, smoke sequencing, etc.

After-hours, weekend, or holiday work

Third-Party Commissioning

Asbestos removal (if discovered under existing boiler panels)
