## NARRATIVE - TEMPLATE PART 1

### OVERVIEW OF STATUTORY REQUIREMENTS

[Section 33-320, Idaho Code](#), addresses Continuous Improvement Plans. This section of statute was amended during the 2021 legislative session; no changes were made during the 2022 or 2023 sessions. The section of code states, in part:

“CONTINUOUS IMPROVEMENT PLANS AND TRAINING. (1) Each school district and public charter school in Idaho shall develop an annual plan that is part of a continuous focus on improving the student performance of the district or public charter school. A public charter school may use its performance certificate in lieu of a separate continuous improvement plan.

(2) (a) The board of trustees and the superintendent shall collaborate on the plan and engage students, parents, educators and the community as appropriate. The board of directors and the administrator of a public charter school shall collaborate on the plan and engage students, parents, educators, and the community as appropriate. All continuous improvement plans must be approved by the local governing board.

(b) The annual continuous improvement plan shall:

- i. Be data driven, specifically in student outcomes, and shall include, but not be limited to, analyses of demographic data, student achievement and growth data, graduation rates, and college and career readiness;
- ii. Set clear and measurable targets based on student outcomes;
- iii. Include a clearly developed and articulated vision and mission;
- iv. Include key indicators for monitoring performance;
- v. Include student literacy proficiency goals and targets and how progress towards those outcomes will be measured;
- vi. Include, as applicable to the grade ranges served, trajectory growth targets toward literacy proficiency;
- vii. Include, as applicable to the grade ranges served, college and career advising and mentoring goals and how progress towards those outcomes will be measured;
- viii. Include the individual staff performance on each of the performance criteria as defined in Section 33-1001, Idaho Code, including measurable student achievement and student success indicator targets and the percentage of students meeting those targets. Data will be aggregated at the grade range, subject, or performance indicator, as determined by the commission and allowed pursuant to section 33-133, Idaho Code;
- ix. Include, at a minimum, the student achievement and growth metrics for the state accountability framework. Student achievement and growth will be reported on each school and district’s report card as required by the state board of education and published by the state department of education; and
- x. Include a report of progress toward the previous year’s improvement goals.”

Section 33-320, Idaho Code also requires all school district boards of trustees / charter school boards of directors to continuously monitor progress toward the goals identified in the plan and to include consideration of the progress in the district superintendent’s or charter administrator’s evaluation.

### POSTING / SUBMITTING YOUR PLAN

- **State law requires all LEAs to post your Continuous Improvement Plan to your website and submit it to the Office of the State Board of Education via e-mail by October 1.** Plans should be submitted to [plans@osbe.idaho.gov](mailto:plans@osbe.idaho.gov) in PDF, Word or Excel. Please also provide a hyperlink to the section of your website where the plan is posted.

### GENERAL GUIDANCE FOR USING THE CIP TEMPLATES

**Please Note:** Charter schools with performance certificates that meet all of the CIP requirements outlined in the law, including a link to the charter school's report card (on [idahoschools.org](http://idahoschools.org)) and annual Performance Targets for all required metrics, may submit their performance certificate in lieu of part or all of the Continuous Improvement Plan. If you are interested in this option, please contact our staff in advance to discuss your performance certificate and its alignment to the Continuous Improvement Plan requirements.

### 2023-2024 Templates for the Continuous Improvement Plan

LEAs are not required to submit your Continuous Improvement Plan in one of our provided templates. You may provide your plan in any format you choose. If you are submitting your plan in a locally-developed format, we encourage you to use our template(s) and review checklist(s) as guides to identify the required plan elements and data that should be included in your plan.

The Continuous Improvement Plan Template is split into two (2) pieces. **To complete your plan using this format, you need both a Narrative (Part 1) and Metrics (Part 2).** The following templates are available to help you meet the requirements:

- 2023-24 Continuous Improvement Plan Narrative – Template Part 1
- 2023-24 Continuous Improvement Plan Metrics – Template Part 2

LEAs may post and submit your Continuous Improvement Plan as two separate documents (Word and Excel or PDF) or combine them into a single PDF.

### Substantial Revisions vs. Plan Update (when to submit a new Narrative)

The Continuous Improvement Plan is an ongoing plan that needs to be *updated* annually. The metrics and report of progress must be updated annually, but some LEAs may qualify to forego submission of a new CIP Narrative.

If you have made changes to your mission, vision, or community involvement processes, you must submit a new Narrative. However, if you meet both of the following qualifications, you do not need to submit a new Continuous Improvement Plan (CIP) Narrative for 2023-24:

- Your LEA has *not* made changes to your mission, vision, or community involvement practices described in your previous CIP Narrative or Combined District Plan Narrative; and
- Your LEA had a fully compliant CIP Narrative or Combined District Plan Narrative in 2022-23, or you are continuing a previously granted narrative exemption.

If you are unsure if your LEA meets the qualifications listed above, please contact Nick Wagner ([nick.wagner@osbe.idaho.gov](mailto:nick.wagner@osbe.idaho.gov); 208-488-7586) prior to the October 1 plans submission deadline.

If your LEA has met the qualifications and is not submitting a new narrative, when you submit your web link and/or plan documents, please indicate in the body of your e-mail that you believe you meet the qualifications and have no changes to your CIP Narrative.

**Please note:** The Metrics spreadsheet (Template Part 2) includes Benchmarks and the Progress Report (required by law) that *must* be updated and submitted annually.

#### Vision

All students will leave the district with critical and creative learning skills, will be technologically literate, will be able to work with others and be lifelong learners.

#### Core Beliefs

- All students can learn and achieve at high levels. Each student is a valued individual with unique social, emotional, and intellectual needs.

**Instructions:** Per statute, please describe how your school district or charter school considered input from the community in developing or revising your Continuous Improvement Plan.

### Community Involvement in Plan Development - REQUIRED

School/District Improvement planning involves committees with parents being actively involved.
