NOTICE IS HEREBY GIVEN that in accordance with the Family Educational Rights (FERPA) a federal law that requires the Kellogg School District No 391, Mullan School District No. 392 and the Wallace School District No. 393, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Kellogg School District #393, Mullan School District #392 and Wallace School District #393 may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Kellogg School District #391, Mullan School District #392 and Wallace School District #393 to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Sports activity sheets, such as wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without the parent's written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEA's) receiving assistance under the Elementary and Secondary Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Kellogg School District #393, Mullan School District #392 or Wallace School District #393 to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing.

An LEA may, but does not have to, include all the information listed below:

- Student's name

- Weight and Height of members of athletic teams
- Electronic email address
- Photograph
- Degrees, honors, and awards received

- Major field of study

These laws are Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L 107-110), the education bill, and the 10 U.S.C. 503, as amended by section 544, the National Defense Authorization Act for Fiscal year 2002 (P.L. 107-107), the legislation that provides funding for the Nation's Armed Forces.
