

Wallace School District #393 Bus Routes

Follow these guidelines to determine your morning bus stop location:

1. Locate your service area
2. Find the bus stop location nearest your home
3. Check the bus indicator (colored animal sign)
4. Check the pick-up time
5. Arrive at the bus stop five minutes early (these times are for departure from the stop)

Follow these guidelines to determine your afternoon bus and bus stop location:

1. Locate your school building and grade level
2. Locate your service area
3. Find the bus stop location nearest your home
4. Check the bus indicator
5. Check the drop off time

These routes may require adjustments throughout the school year

Explanation of Bus Route Changes for 2024-2025 School Year

Bus Route Modifications

- WHS Departure Time – All Afternoon Routes
 - WHS has a new student dismissal time of 3:00PM, therefore bus departure from WHS has been moved to 3:05PM to accommodate this change.
- Yellowstone Avenue in Osburn – Red Hen & Orange Camel Morning & Afternoon Routes
 - Due to the high ridership numbers on the Red Hen bus last year, the riders from the Yellowstone Avenue area in Osburn have been moved to the Orange Camel bus. This will affect students who ride the bus from the Yellowstone & Tyler, 1104 Yellowstone, and Yellowstone & Buchanan Stops. The morning bus will arrive at these stops two minutes earlier, while the afternoon bus will drop off approximately 14 minutes later than the 2023-2024 school year.
